

Principal Profile

Principal Name: Natural Resources Foundation of Wisconsin

Cessation Date 06/24/2016

Business Or Interest: The Natural Resources Foundation of Wisconsin is a community foundation for natural resources. Financial support is derived from private sector gifts from individuals, foundations, and some corporate sponsorships.

Lobbying Interests: Restoration of the \$84,100 nonprofit conservation capacity grant in the 2015-2017 state budget. This capacity grant leverages private donations; for every \$1 of capacity grant received, the Foundation generates \$4 that is given to the State of Wisconsin in cash and services for natural resources. The capacity grant supports three positions including conservation programs, field trip coordination and natural resource education.
